Please note:

- * Should you fail to provide information on the selected type of coating (laminate/structural paint; concerns colours: golden oak, walnut), the box will be painted with structural paint (standard colour, at no extra charge).
- ** Should you fail to provide information on the selected type of coating (golden oak, walnut – laminate/structural paint), the side covers will be painted in: golden oak (RAL 8003) or walnut/brown (RAL 8014).
- *** The standard box coiler + accessories (tape/cord, tape/cord guides) are available in white. If you opt for colour brown instead, please indicate your choice in the Comments box.
- Shutters higher than 2200 mm are supplied with a 9 m coiler.
- Balcony shutters order must have a drawing attached (a view from the inside).
